

MicronDR Cleanroom Class 10 Data Recovery Lab

BUSINESS PARTNER PROGRAM

The Business Partner Program offers you and your clients; access to the world’s most advanced cleanroom lab and on-site data recovery services for all brands and formats of storage media. Our comprehensive Business Partner Program gives registered partners the opportunity to increase their profitability and growing their business by providing customers and end users with a continuum of full-service support.

Retail computer sales & service stores, information technology, system integrators, and Government contractor companies: Data Recovery Services will provide your company with the platform to resell data recovery services as your own.

For Whom:

Applicable for computer/ technology service providers, system integrators and consultants who would like to provide their company platform to resell MicronDR data recovery services as their own service offerings.

EXCLUSIVE BUSINESS PARTNER BENEFITS	
<ul style="list-style-type: none"> • Sell MicronDR’s Corporate DR Packages and you will receive 20% commission • You will bill customers directly as part of your services offered • You can provide data recovery services with the benefit of using our name combined with yours 	<ul style="list-style-type: none"> • Our excellent and dedicated customer service team will explain and deal with your clients • Convenient online submissions and tracking • Receive promotional items, on-going Partner Promotions, incentive programs and communications

Modus Operandi:

As a Business Partner, your company can increase your range of services to include data recovery. You may sell our DR Packages and we will only bill you the cost, You may operate as MicronDR collection centre and we will refer potential customer to send their damaged media to your centre. We will then collect them from your centre on a daily basis.

Likewise you may also refer customers to us and upon completion of the recovery and all fees for the recovery have been collected you will receive a commission for that job. We will provide you a cheque every month for all successful recoveries.
